

## PRODUCT SHEET

|                      |   |                       |                            |
|----------------------|---|-----------------------|----------------------------|
| Brand name:          | <b>BN Walls</b>   |                       |                            |
| Serie name:          | <b>Durafort 3120</b>  |                       |                            |
| General description: | Paper Backed vinyl wallcovering   |                       |                            |
| Measurements:        | Width:  | 130 cm                | 51 inch +/-                |
|                      | Roll Length:  | 50 mtr                | 54 yard +/-                |
|                      | Weight:   | 400 gr/m <sup>2</sup> | 18 oz/ly +/- EN ISO 2286-2 |
|                      | Pattern repeat:   | free match            |                            |
| Fire ratings:        | Euroclass:  | B-s2-d0               | EN 13501-1                 |
|                      |   | B1                    | DIN 4102-1                 |
| Hanging instruction: | Reverse   |                       |                            |
| Light fastness:      | ≥ 7 International Woolscale - BS EN 20105 / ISO 105-B02   |                       |                            |
| Washability:         | Scrubable (depends on embossing/structure) - EN 259-1 / EN 12956  |                       |                            |
| Resistant to:        | Soap; Detergents; Alcohol; Ammonia; Alkali; Diluted Acids   |                       |                            |
| Not resistant to:    | Solvents like Ketones; Esters; Aromatic hydrocarbons  |                       |                            |
| Safety/Ecological:   | The material is classified as non-hazardous. For more information see safety datasheet according to DIN 52900 or 91/155/EEG, 2001/58/EC     |                       |                            |
| Certifications:      | International Pollution Prevention and Control (IPPC)   |                       |                            |
| Other features:      | Non solvent based inks and top coatings   |                       |                            |
| Installation:        | Refer to installation recommendations leaflet inside the core of each roll  |                       |                            |
| Adhesives:           | Heavy duty wallcovering adhesive BK 10 (manual) or similar PVA substitute for absorbing surfaces. BK 30 for non-absorbing surfaces (manual) |                       |                            |
