

## PRODUCT SHEET

|                      |  |                       |                            |
|----------------------|--|-----------------------|----------------------------|
| Brand name:          | <b>BN Walls</b>  |                       |                            |
| Serie name:          | <b>Torino</b>  |                       |                            |
| General description: | Non Woven Backed vinyl wallcovering BioPruf® treated   |                       |                            |
| Measurements:        | Width:   | 130 cm                | 51 inch +/-                |
|                      | Roll Length:   | 50 mtr                | 54 yard +/-                |
|                      | Weight:  | 355 gr/m <sup>2</sup> | 15 oz/ly +/- EN ISO 2286-2 |
|                      | Pattern repeat:  | free match            |                            |
| Fire ratings:        | Euroclass:   | B-s1-d0               | EN 13501-1                 |
|                      | ASTM:  | Class A               |                            |
|                      | IMO:   | Available on request  |                            |
|                      | B1   |                       | DIN 4102-1                 |
| Hanging instruction: | Reverse  |                       |                            |
| Light fastness:      | ≥ 7 International Woolscale - BS EN 20105 / ISO 105-B02  |                       |                            |
| Washability:         | Scrubable (depends on embossing/structure) - EN 259-1 / EN 12956   |                       |                            |
| Resistant to:        | Soap; Detergents; Alcohol; Ammonia; Alkali; Diluted Acids  |                       |                            |
| Not resistant to:    | Solvents like Ketones; Esters; Aromatic hydrocarbons   |                       |                            |
| Safety/Ecological:   | The material is classified as non-hazardous. For more information see safety datasheet according to DIN 52900 or 91/155/EEG, 2001/58/EC                    |                       |                            |
| Certifications:      | International Pollution Prevention and Control (IPPC)  |                       |                            |
| Other features:      | Non solvent based inks and top coatings BioPruf® prevents the growth of mold/mildew and bacteria. Good impact resistance (EN 259-2). High tear resistance. |                       |                            |
| Installation:        | Refer to installation recommendations leaflet inside the core of each roll   |                       |                            |
| Adhesives:           | Heavy duty wallcovering adhesive BK 10 (manual) or similar PVA substitute for absorbing surfaces. BK 30 for non-absorbing surfaces (manual)                |                       |                            |
